

## Public Auction of a selection of GB First Day Covers from a Leading Collector

We have not used the words "Scarce" or "Rare" in any of the descriptions in this catalogue as these items could be applied to so many of the covers listed, including many unique covers that we have never previously seen.

Catalogue prices quoted are from the Booth Catalogue "Collect GB First Day Covers" 2007 (except for QEII Official FDCs which are from Bradbury's "Collect British First Day Covers 2009").

\* Please note that the prices in the right column are **not** estimates \*
